Function description

Elegant and clear. The L 810 C up/downlight without sensor is an exceptionally elegant LED outdoor light. It is a marriage between sophisticated product design and durable material quality (aluminium). Warm white light (3,000 K) with 679 lm at just 9,8 W ensures an inviting lighting mood. It can be interconnected with the sensor version in a flash via Bluetooth, or alternatively can be used as an elegant stand-alone solution.
